

# Surgery Update

## Patient Participation Group

### RECRUITMENT

WE ARE ALL PATIENT VOLUNTEERS OF OUR PRACTICE AND ARE  
LOOKING FOR PATIENTS WHO WOULD LIKE TO JOIN US

You will engage with your surgery to ensure the voice of patients is heard, both informing new and reforms of existing services.

The PPG works with the surgery in many different ways. We can produce patient surveys, information specific leaflets, posters. We might organise and lead on information events and health topic specific talks.

We can set up smaller sub-groups to work on short-term specific projects, or new community groups, such as our Singing for Health Group

**We are particularly looking for a new Secretary who is I.T. literate and can support the Chair with administration**

**If you are would like to know more, please contact the surgery who will pass your details to our Chair to make contact with you to answer any questions**
